Thanks to their generous funding since 2009, Cedar's Sports Programme has a solid foundation to build upon. It is an exciting time as we develop our focus to enhanced club related activities and to the training of competitive athletic teams to represent the school throughout the region.

In honour of Borrelli Walsh's support, the school has initiated a **Borrelli Walsh Sportsmanship Award** that will be awarded to one secondary student every year at the year end graduation ceremony.

The **Borrelli Walsh Sportsmanship Award** will be given to the athlete that displayed the best sporting behaviour or generally conducted themselves with a high degree of character and good sportsmanship.

We are grateful to Borrelli Walsh Limited for enriching our sports programme and for being committed to making a difference in the lives of young people.

## Programme Philosophy

One of the most significant goals of the International Baccalaureate's PYP, MYP and DP is to provide a balanced development of the "whole person". In accordance with this philosophy, life at Cedar International School extends beyond the classroom through our comprehensive Co-Curricular Clubs and Activities Programme.

Our programme enables Cedar students to develop physically, emotionally, culturally and socially by providing them with opportunities to broaden their horizons, gain knowledge and skills, and generate an interest in a variety of areas they may not have previously experienced. It also provides a refreshing counterbalance to the demands of the student's academic studies and encourages students to share their energy and special talents with others.

The extensive programme of clubs and activities available at our school continues to set Cedar International School apart from other schools in the region. The programme itself, however, would not be possible without dedicated teachers, parents and friends within the greater Cedar community giving up their time and energy for the school. Again, it is this attitude and commitment that makes Cedar International School unique.

The dynamic nature of the programme means that it is continually evolving and diversifying. We always welcome any member of the extended Cedar family to volunteer or to suggest new ways of further strengthening the programme. Please do not hesitate to contact me if you have any special ideas or talents that you believe can assist the programme.

## Programme Rules

In order for your child(ren) to participate in clubs, we require the following to be returned to the front office:

- A completed and signed Registration and Parent/Students Release form, even if a club is free.
- Cedar clubs are very popular and spaces are limited. To ensure your child has a space in a club, a full payment of cash or cheque must be received promptly.
- In order to ensure the smooth and safe running of the clubs we ask that the following rules be noted:
  - In most cases, the price of the club assumes 1-2 sessions will be cancelled as a result of inclement weather or teacher commitments.
  - Generally, clubs run from 3:15 until 4:15 unless otherwise indicated. If for any reason a club is postponed (weather, etc.), every effort will be made to contact parents to notify you of the cancellation. A makeup session will be provided at the end of the trimester.
  - Unless otherwise noted, parents will need to arrange transportation for clubs that occur off campus. It is important that you pick up your child(ren) on time.
  - Most clubs will only run if a specific number of students enroll.
  - Children should be collected in the atrium promptly once the club ends. If you are unable to collect your child, he/she/they will be kept safe and placed in our After School Care programme, for which there will be a charge. Please note this service is not available for any club that ends after 5:30pm, on a weekday or at any time on the weekend. This service is only available for Cedar students.
  - All clubs operate on a first come first serve basis. Please note that priority will be given to Cedar students. We would also need all non-Cedar students to hand in a health form and emergency contacts to keep on file. Registration for non-Cedar students will commence on the third day of registration. An amount of 25% of the club fee will apply to non-Cedar students upon registration.
  - Please note that when participating in the clubs programme, students must adhere to the school code of behaviour at all times. Failure to comply may jeopardize their position in the club.
  - All club fees are non-refundable. Please be advised, if you decide to remove your child(ren) one week after sessions, have begun, or are traveling during the sessions you are not entitled to receive any refunds nor deductions. Late registrations are expected to pay the full trimester rate.
  - Only secondary students from grades 6-12 are allowed to assist in a club for CAS hours.

The Worldwide Nature Club was founded by Chelsea Simpson a 7 year old elementary student. Chelsea loves to explore the natural world environment with her friends and family. The Club is led by her parents Christopher Simpson and Mitsy Simpson. Six months prior to the establishment of this nature club, Chelsea conceptualized the idea and told her parents that she wanted to start a nature club because she thinks "Wildlife is Awesome" - and so it began!

The Club meets every 4-6 weeks but sometimes earlier. Please check website [worldwidenatureclub.org](http://worldwidenatureclub.org) or call us for schedule of activities. The Club was started with 9 of Chelsea's friends and family. As a club we will continue to learn about the wonders of the natural world and develop skills necessary to safely explore the outdoors. The Worldwide Nature Club supports a family oriented culture of enjoyment and exploration of the natural world - worldwide!

**Worldwide Nature Club** gives young children 6 to 10 years old, family and friends the chance to enjoy nature in shorter, more manageable bursts. Each adventure has a theme such as Farm Life, Mangrove Life or Dinosaur Dig.
