

Parent Questionnaire for Cedar Exchange

Please complete the form below and submit it to the Head of Secondary along with the Personal Statement and signed Terms and Conditions form. This information helps guide us in making the best match for students and families.

To be completed by the Parent:

Knowing that whoever your child is matched with is who your child will stay with in Spain in October and also who you will host in the BVI in January, please indicate your preference below.

GENDER

I have no preference as to what gender of student my child is matched with.

I would be willing to have my child matched with a student of either gender, but if I have a choice I would prefer a **male / female** (*circle one*) student.

I only wish to participate if my child is matched with a **male / female** (*circle one*) student.

AGE

I would allow my child to be matched with a student who is **15 / 16 / 17** years of age. (*circle all that apply*)

ACCOMMODATIONS

As host family, we will be able to provide the following accommodations for the visiting student:

The visiting student will have his/her own bed in a shared room.

The visiting student will have his/her own room.

I would accept the following for my child's accommodations in Spain (mark all that apply).

His/her own bed in a shared room (if sharing with same gender).

His/her own room.

Note: Matched students of different genders must be provided with separate rooms.

ADDITIONAL INFORMATION (optional)

Please indicate below any other information (dietary preference, allergies, religious observations, etc.) that may be helpful to ensure a good match, noting in particular any items that are “musts” for you in terms of a match, either for the student you are hosting or for the family with whom your child will be staying.

Parental Statement (to be completed by the parent): I am aware that my child is applying for the Cedar Exchange Programme and am supportive of his/her application to do so. If selected, we are willing to abide by all terms and conditions of the programme, including serving as a host family for a visiting student during the reciprocal exchange.
