

At Cedar, we value the linguistic and cultural heritage of all of our students. We would, therefore, like to request information about the language(s) spoken by the student and his/her family members.

For the purposes of our enrolment form, "English" is understood to mean some standard variety thereof. If your family also speaks a creole spoken in the Caribbean or another region of the world (such as Dominican/St Lucian or other Kwéyòl, Jamaican Patwa/Patois or Trinidadian English Creole also known as Trinidadian Dialect), please note this as you complete the form below.
