Terms and Conditions of Payment

Tuition Payment and Charges

In consideration of the School's acceptance of a student, parents/guardians shall agree to the tuition and fee requirements set by the School and will be responsible for all charges due.

The enrolment of a student is an individual contract between the parents/guardian and the School, regardless of any arrangement a parent may have with his/her employer concerning payment of the fees. The parents/guardian remains responsible for payment of all School fees for his/her child.

Fees for registration, tuition and any others are payable in US dollars. Applicable payment must be made in advance according to schedules authorized by the Board.

Non-payment of Tuition, Late Payment of Fees

Both parents/guardians are liable for the payment of fees on the due dates and the school has the responsibility to pursue the timely collection of all school fees and charges. School fees are due the first (1st) day of each month of the School year for monthly payers; the first day of each term for term payers and the first day of each School year for annual payers. Tuition fees paid in June represent pre-enrolment fees and will be applied as payment of fees for the following June.

Where fees remain overdue and unpaid beyond the due date, a late fee shall be billed to parents. This is currently set at 12% of the amount outstanding and interest will be charged at the rate of 1.5% per month on the amount outstanding. In cases where fees remain overdue and unpaid for a period of forty-five (45) days or on the first day of any term, whichever is first, further attendance of students shall be denied.

Where pre-enrolment fees remain outstanding for more than ten (10) days, a penalty of \$150.00 will be billed to the parent(s)/guardian(s).

Pre-enrolment fees are non-refundable, however, in an effort to reduce undue hardship where a student is unable to attend due to a change in circumstances, the fees may be returned if the space is taken by another student for the commencement of the school year. Where such a refund is made, a \$100.00 administration fee shall apply and the refund reduced accordingly.

The School's administration is charged to release students' reports, records and transcripts only to those parents and guardians who are in good financial standing with the School. This includes regular school reports, so that, for example, unpaid late fees or unpaid small

obligations to the School would preclude term reports being issued until the account was clear.

If any tuition payment is past due for more than one (1) term, the student may not be allowed to start a new term until monetary commitments have been tendered.

The parents or guardians are ultimately responsible for any action which the School must undertake to ensure tuition payments. Any fees or charges incurred in recovering overdue or unpaid amounts will be recoverable from the parent(s)/guardian(s).

A student denied attendance at the School in accordance with the Non-payment of Tuition/ Late Payment of Fees policy may only be readmitted once all outstanding fees and charges have been paid. No portion of the fees shall be waived for the time that the student was denied attendance for non-payment of tuition fees.

In order to enable the School to plan for its financial responsibilities and for its staffing and class configurations, parents/guardians of all students, other than those in year twelve, are required to give at least one full month's notice of withdrawal of a student from the School or pay one full month's fees in lieu of notice.

The School's administration is charged to release students' records and transcripts only to those parents and guardians who are in good financial standing with the School. In the case of withdrawing students, this means those parents and guardians who have either given one full month's notice of withdrawal or who have paid one full month's fees in lieu of notice.

Any indulgence, relaxation or waiver of any of these Terms and Conditions shall be entirely at the discretion of the School and may not be regarded as setting any binding precedent.
