5 Things to Know About Cedar

- Non-selective and inclusive in admission and IB Diploma enrolment
- Emphasis on holistic teaching and learning environment, with robust elective choices and experiential education programmes
- Distinct Arts programme with indigenous Caribbean instrument training
- GPA & Ranking: Cedar International School does not report a grade point average or rank students. The highly transitory nature of international schools and students, many who transition from countries and curriculums with different grading systems, assessment practices and procedures, makes formal ranking inaccurate
- Dual enrolment not offered

One School, Three Diplomas: Options for Cedar Students

All students who attend Cedar International School are enrolled in the CIS High School Diploma Programme and take IB courses. With this in mind, three high school options are available to students.
